Only mercenaries with Royal Commissions may apply for this job.
So may I see your Royal Commission, sir?

Just give me a second, I've forgotten my line. Dammit I've been practising for months and now that some people have appeared I'm messing it up.

Hilarious game. Don't buy for the cgs because there's not many and there's no gallery. It's just a very likeable game with funny characters, dialogue and a ton of mazes.

. Win 1 of 5 - \$20 steam gift card- Be a playa, Win more game!:

Yo Dawgs,

I've decided to change the rules of the "Let's Play" Competition since no one has bitten yet! First five people to post a COMPLETE video series on YouTube of "King of Mazes" will each win a \$20 steam gift card. If 5 people post complete videos within 5 days I will give out another FIVE \$20 gift cards to the 5 next submissions.

Rules:

- You must show yourself playing the game beginning to end.
- The video must be uploaded on YouTube
- To enter you must post links to all the videos (or the playlist) to the comment section of this announcement.
- The video must be in Let's Play format NOT walkthrough. In other words in order for a submission to be valid the player must either record themselves with a microphone and/or a camera while they play!

(Not a lot of people will probably compete so just getting any video in ASAP will probably win you that \$20 gift card).

Good luck!

Ricky. **King of Mazes is out and ready for you to buy!:**

Yo Dawgs!

Ricky here with some insane news!

My new game, King of Mazes is out and ready for you to buy!

The Waifus are waiting for you beyond the Mazes! Go out and find them!

Woof Woof!

As a little bit of extra flavor to this tasty sandwich I'll be running a little competition. I wanna watch you dawgs playing my awesome game so I've decided to run a "Let's Play" competition. The competition will run from the day the game is launched till April 15th.

All you have to do to enter is upload a "Let's Play" of you playing "King of Mazes". Paste the link onto the comments section below this post and voila, you've submitted!

Now what is the prize? Well, good ol' Ricky has you dawgs covered (Woof Woof!) I will watch all the videos and the video I like most will win a \$50 Steam Giftcard from me! Yup! You heard that right!

How will I pick the winner? Simple, the video that makes me laugh most will win (the game is hilarious so it really shouldn't be too hard making a good video). I will post the winner when the competition is complete!

Good luck dawgs!
