Hi! Are you looking for an experienced plumber for your home project? If so, you've come to the right place. My name is Max Bfajardo and I'm here to provide professional services at affordable rates. I currently work with licensed plumbing contractors in San Diego, California. I offer a wide range of services including: Drain cleaning, Sewer installation/repair, Floor repair and removal, Faucet repair and installation. If you need any help with a clogged drain or blocked sink, please give me a call today! Max Phone: 919-890-2465 Website: <http://www.maxbfajardo.com> Or email: [info@maxbfajardo.com](mailto:info@maxbfajardo.com) Max Bfajardo is a licensed plumber, which means he can take on jobs involving water pipes and plumbing throughout San Diego County. Fluidmaster is a brand that Max has used in the past, and it has been great for his customers. During a recent visit to their facility, Robert Butler of KUSI Channel 10 was able to conduct a test using a Fluidmaster system and it passed with flying colors. The red color of the toilet bowl indicates whether or not any issues have been found in the system during the test. <https://www.youtube.com/watch?v=gdrfSxUCdkk> <http://www.fluidmaster.com/about-us/bios/robert-butler> <https://www.google.com/maps/place/Butler+Fluidmaster+San+Diego,+CA+92109/@32.7354728,-117.1700498,17z/data=!3m1!4b1!4m5!3m4!1s0x80c2b2559b92d1e7:0xc7bbf65d4854ca7a!8m2!3d32.7345316!4d-117.160005> <https://www.linkedin.com/pub/robert-butler/21/735/396> <http://www.knsi1011.com/?nid=15&cid=2777> <https://maps.google.com/?cid=92290009447050903662> <https://www.facebook.com/FluidMaster> <https://twitter.com/RobertButlerKUSI> <http://www.plumberreviewz.com/plumber-max-bfajardo-2091/#>
