jp are their standard punches, but now when they land, they are still on a dragon, just for a few moments, and the yellow damage indicator also appears during that time. Their regular attacks are also faster, so that if you press normal attack, they will punch right after, instead of a pause in between. Additionally, in order to make them more colorful, some characters' sprites are redrawn. The Shin Akuma sprites are also redrawn, but not much else. The only other characters with slight changes are Sasuke and Kakashi. Reception On the Japanese version of the game's release, Famitsu magazine gave it a score of 34 out of 40.
